

ICT Mobility Day - Amsterdam

25 June 2014

ICT Mobility Day - Amsterdam - June 25 2014

Are you an ICT professional looking to expand your career horizons?

ICT employers in Amsterdam are interested in hiring skilled professionals from other countries around Europe to fill vacancies in the city's booming IT sector. The IT sector has become one of the most important sectors of the economy and is expected to continue growing in the years to come.

The aim of '**ICT Mobility Day Amsterdam**' is to facilitate contact between ICT companies from Amsterdam and ICT professionals throughout Europe.

If you are a jobseeker, by **registering** for the event you will be able to **browse** through and apply for jobs that match your profile. You will be able to contact **employers** and maybe even book one or more job interviews. You will also be able to attend several virtual presentations by employers.

You can check out the jobs offer by clicking **here**. Follow the instructions to apply for the jobs you are interested in, and wait to be invited to an interview.

At the event, EURES advisers from the Netherlands will be available online to give you information and advice about living and working in their country, and professionals who have already made the move to the Netherlands will share their personal experiences with you.

Take the first step towards your new career in Amsterdam. To **register** for this online event, go to the **ICT Mobility Day Amsterdam** portal.

We look forward to seeing you online at the **ICT Mobility Day - Amsterdam** on June 25.
